Nook is a residential discreet and luxury building in the very sought (studied) district of Belair. The project is developed by Solum Real Estate with architecture designed by the famous firm of architects Christian Bauer and Partners. This luxury residential building with its limestone facade, glass and aluminum is situated on a ground in corner place of street with clear view. Where from the name of the project: Nook. The ground floor and the first floor each are consisted of two luxury apartments by floor. Second and third floor are occupied by the magnificent penthouse in duplex which includes several terraces of which a big terrace in the last floor which wrap three sides of the facade. Offering 307 m² of internal surface, this penthouse has 3 rooms and big spaces of life and entertainment. What makes of this property a rare pearl in the city of Luxembourg. Every apartment has internal parking lot.
